Exciting Auction Change:

Along with the Quick Draw Auctions we will have approximately 15 major art pieces for the live auction. Fewer artists have been invited to participate in the Quick Draws each night so that we have time to auction the major art pieces. You, our patrons, requested more major pieces and we listened. This will still be in keeping with the excitement of the Quick Draws. The evening events will prove to be high energy and worth your while to join us! Auctioneer Steve Mitzner will be back by popular demand.

Entertainment Highlights

Entertainment will include the Rockin HW with Alan Halvorson, Morrey Walter and Mike Whitaker and also Donn Allard and his country music.

Meet over 100 of the country's top artists. See over 20,000 square feet of art displays. New and talented artists will be joining your accomplished favorites for an outstanding visual experience!
